

# Low Light Development: White Light

August 24-25, 2020 / Lethbridge, Alberta CA  
Hosted by Lethbridge Police Service

## \$350 USD

This 2-day / 16-hour instructor development course is designed to teach firearms instructors the technical information associated with illumination tools, such as hand-held flashlights and weapon-mounted lights. In addition, firearms instructors will be exposed to training methodologies that will enhance their low light training program. Most basic firearms instructor courses usually dedicate about 4-5 hours to low light shooting and only conduct basic low light drills. This instructor course goes much further in depth. The concepts taught in this course apply to ALL weapon disciplines for creating better training.
