

# Low Light Shooting Instructor Certification Course

March 22-24, 2021 / Gainesville, GA  
Hosted by Hall County Sheriff's Office

## \$525.00

This 3-day / 24-hour instructor certification course is designed to teach firearms instructors the various principles and tactics associated with the use of illumination tools when deployed with a handgun or shoulder-fired weapon system. Most basic firearms instructor courses usually dedicate about 4-5 hours to low light shooting and only conduct basic low light drills. This instructor course goes much further in depth. Emphasis will be placed on developing live-fire drills that enhance student's ability to learn both hand-held techniques and weapon-mounted systems for both handguns and shoulder-fired weapons. The concepts taught in this course apply to ALL weapon disciplines for creating better training.

*This course is approved by the NRA LE Division for 24 hours of continuing education credit.*

**NOTE:** *This course requires the use of carbines / rifles. Students don't need to be certified as a rifle instructor to attend. However, students must have successfully completed a rifle operator certification course of 16+ hours to attend this course.*
