

Instructor Development: Modern Day Rifle/Carbine

April 24-25, 2019 / Paola, KS

Hosted by Merriam Police Dept.

\$350.00

This 2-day / 16-hour instructor update course is designed to challenge firearms instructors to take a critical look at their training philosophies and methodologies, and to provide them with current shooting techniques associated with rifles / carbines to enhance their training programs. This course will focus on all the currently known techniques for each topic, and the pros and cons of each technique, thereby allowing the instructor to decide what is best for their program. Traditional and long-standing philosophies and methodologies will be challenged. Students will be conducting drills as instructors.

This course is NOT an instructor certification...it is a rifle instructor update.

NOTE: Must be a certified rifle instructor through a credible organization to attend.

Topics Covered:

- Review of ballistics and zeroing
- Weapon presentation / shooting platform
- Loading & reloads
- Malfunction clearances
- Conventional / unconventional shooting positions
- Bi-lateral (support side) shooting
- Shooting from cover
- Shooting on the move
- Multiple target engagements
- Transition to pistol
- Injured person techniques
- Low light shooting
- Accessories and equipment

Required Equipment:
