Rifle Instructor Update: Improving Shooter Performance

February 20-22, 2018 / Stapleton, AL

Hosted by APOSTC L.E. Academy Baldwin County

\$450.00

This 3-day / 24-hour instructor update course is designed to challenge firearms instructors to take a critical look at their training philosophies and methodologies, and to provide them with current shooting techniques associated with rifles / carbines to enhance their training programs. This course will focus on all the currently known techniques for each topic, and the pros and cons of each technique, thereby allowing the instructor to decide what is best for their program. Traditional and long-standing philosophies and methodologies will be challenged. Students will be conducting drills as instructors.

This course is NOT an instructor certification...it is a rifle instructor update.

NOTE: Must be a certified rifle instructor through a credible organization to attend.
