

Live-Fire CQB / Shoot House Instructor Certification Course

November 10-12, 2020 / Gilroy, CA
Hosted by Gilroy Police Dept.

\$525.00

This 3-day / 24-hour instructor certification course is designed to teach firearms instructors how to conduct safe live-fire CQB training in a 360 degree live-fire training environment. In addition, instructors will learn how to increase the skill level and confidence of their students through proper debriefing and motivation. Live-fire training in a shoot house is the pinnacle of all firearms training...and the most challenging for firearms instructors. Not only does the instructor have to watch all things related to firearms training and safety, but also has to simultaneously evaluate and critique the application of sound CQB tactics.

This course is approved by the NRA LE Division for 24 hours of continuing education credit.

NOTE: *This course requires the use of carbines / rifles. Students don't need to be certified as a rifle instructor to attend. However, students must have successfully completed a rifle operator certification course of 16+ hours to attend this course.*
